

Nolvasan[®] Surgical Scrub

CHLORHEXIDINE

Antimicrobial skin and wound cleanser

Contains 2% (w/v) chlorhexidine acetate in a stable detergent base

Nolvasan Surgical Scrub possesses a wide range of antimicrobial activity and provides a rapid and residual antimicrobial effect.

DIRECTIONS FOR USE: Rinse the area to be cleansed with clean water. Apply 1 to 5 mL of Nolvasan Surgical Scrub to the area and wash with a sponge or brush for 2 to 4 minutes. It may be necessary to apply additional water to obtain adequate sudsing. Wipe away excess foam with sterile sponge.

CAUTION: Avoid contact with the eyes and mucous membranes. If contact is made, flush promptly and thoroughly with clean water. Hypersensitivity to Nolvasan is rare; however, if reactions should occur, discontinue use.

Store at or below 25°C (77°F).

For Veterinary Use Only. Not for Human Use

Not for sale or distribution in California

CAUTION

For External Use Only. Keep out of reach of children.
